

Recommendation for Monitoring Nutrient Removal Effectiveness	43
Wastewater Loading Relative to Wetland Damage	44
Comparison to Removals in Other Wetlands	45
Wetland Nutrient Trapping and Estuarine Water Quality	45
APPENDICES	49
Appendix A. Site and Station Descriptions-- Extensive Study Sites	49
Appendix B. Site and Station Descriptions-- Intensive Study Sites	51
Appendix C. Chloride and nutrient concentrations at the seven extensive-study sites	54
Appendix D. Nutrient removal efficiencies at the seven extensive-study sites	58
Appendix E. Physical factors and chloride and nutrient concentrations in Rich Square WTP effluent and Bridgers Creek waters	60
Appendix F. Physical factors and chloride and nutrient concentrations in Scotland Neck effluent and Deep Creek waters	66
